Such declaration(s) shall be signed by the Insured or by a responsible person authorized to sign on his behalf.

If other policies on declaration basis cover the stocks hereby insured, the declarations shall be made so as to apportion to each policy a share of the value of

the stocks insured under such declaration policies, PRO RATA to the respective amounts named in the policies.

In the event of a declaration not being made latest by the last day of the succeeding month then the insured shall be deemed to have declared the Sum Insured hereby as the value at risk.

On the expiry of each period of insurance the premium shall be calculated at the rate applicable (provisional) per mille on the average Sum Insured namely, the total of the values declared or deemed to have been declared divided by the number of declarations deemed to have been made.

4. If after the occurrence of a loss it is found that the amount of the last declaration previous to the loss is less than the amount that ought to have been declared, then the amount which would have been recoverable by the Insured shall be reduced in such proportion as the amount of the said last declaration bears to the amount that ought to have been declared.
5. Notwithstanding the occurrence of loss it is understood that the Sum Insured will be maintained at all times during the currency of the policy and the Insured therefore undertakes to pay extra premium on the amount of any loss pro rata from the date of such loss to the expiry of the period of insurance, the premium being calculated at the rate applicable to the stocks destroyed and such extra premium shall not be taken into account in and shall be distinct from, the final adjustment of premium.
6. In event of the policy being cancelled by the Insured during its currency (whether stocks exist or not) the premium to be retained by the company shall be

In the event of an increase in the sum Insured being agreed to, the company shall charge on such increased sum an additional provisional premium on a basis proportionate to the unexpired period of the policy and upon expiry of each period of insurance the total provisional premium so paid shall be adjusted as provided for in Clause 1 above. If during the currency of the policy, the rate for the class of risk to which the insurance applied is revised, and an increase in the Sum Insured under a Declaration Policy is agreed to, the company shall charge on such increased sum an additional provisional premium on a basis proportionate to the unexpired period of policy, at the rate at which the insurance was originally effected and upon expiry of each period of insurance the total provisional premium so paid shall be adjusted as provided for in Clause 1 above.
8. If the stocks hereby insured shall at the time of loss be collectively of greater value than the Sum Insured thereon, then the Insured shall be considered as being his own insurer for the difference and shall bear a ratable proportion of the loss accordingly. Every item, if more than one, on stock shall be separately subject to this condition.
9. It is hereby warranted that every other policy on a declaration basis covering the stocks insured hereby shall be identical in wording with this policy.
10. This insurance is subject in all respects to the printed conditions of the policy except in so far as they may be varied by the above conditions.

10. Immediate Repair Clause

Provided that the liability of the Company shall not exceed the sum insured (stated in the Schedule in respect of this Clause) hereby.

Provided further that if the sum produced by applying the monthly Additional Rent, borne by the Insured for the alternative accommodation to the maximum indemnity period is more than the Sum Insured hereby, the liability of the Company shall be proportionately reduced.

Special Conditions

1. This insurance shall apply subject to the condition that the PREMISES occupied by the Insured, whether as owner or tenant, forms part of a building not being "Kutcha" Construction.
2. If the area of alternative accommodation taken by the Insured is more than the area of the PREMISES occupied by the Insured, the Additional Rent borne by the Insured for the purpose of this insurance shall be deemed to be that proportion of the Additional Rent actually borne by the Insured as the area of the PREMISES which was in the Insured's occupation bears to the area of the alternative accommodation taken by the Insured. The Insured shall be at liberty to take alternative accommodation in any locality so long as it is within the Municipal limit of the city or town in which the PREMISES is situated.

EXPLANATION
